Good Head Will Lead Yells

SUSAN ELLENBAST, Freshman
Social Science Major
Head Cheerleader

I feel I will be enabled as head cheerleader to actively express my enthusiasm for Hartnell by organizing a number one squad for a number one school. As head cheerleader I would increase the number of rallies and try to involve the student body in them as well. Also I would like to really unite the squad so they will sufficiently arouse spirit around Hartnell. I have been a cheerleader for three years and I realize what is needed for a successful squad. Our teams were and will be number one and there is no reason the cheerleading squad should not also be.

PAM PETERSON, Freshman
Education Major
Head Cheerleader

As your Head Cheerleader I feel I could bring new ideas into the cheerleading squad and help renew enthusiasm among Hartnell students. My cheerleading experience includes being a cheerleader in Junior High, High School, and the past year here at Hartnell.

While at Hartnell, clubs I have been actively participating with are Associated Women Students, Rodeo and Riding Club and I.C.C. I am I.C.C. secretary and Associated Women Students Representative to I.C.C.

I have also represented Hartnell as a delegate to the CJCSCA Area VI Conference in San Mateo, thus providing a background in Student Government. Because of the above qualifications I feel that I would be worthy of the position as Head Cheerleader at Hartnell and I would feel very honored if you would elect me to this position on election April 4 and 5.

ASB Secretary

KATHY BARBIER, Freshman
Business (Secretarial) Major
ASB Secretary

I am seeking the office of Associated Student Body Secretary because I feel that the experience that I would obtain during the next year would be very valuable, from both a personal and a vocational standpoint. I promise to try to serve Hartnell to the best of my ability, to record the minutes of the commission meetings accurately, and to provide Hartnell with enthusiasm and good leadership. I feel that this past year, serving as the freshman class secretary, has helped to prepare me for this even greater responsibility.

Sophomore Pres.

PAUL BENOIT, Freshman
Sophomore Class President

I am running for the position of ASB Sophomore Class President. Throughout the past year as

Freshman Class President, I have gained leadership experience as well as an acquaintance with the working organization of the school and student government. With this knowledge and experience, I feel that I can help expand our campus' interests, including better relations and cooperation with the foreign students. I also feel that foreign students should be given better representation in our activities, since their ideas, being more cosmopolitan than ours, could add the spirit that seems to be sadly lacking.

I recently attended the Monterey Peninsula Conference on Alcoholism and drug addition. I'm a member of the Hartnell Rodeo and Riding Club and participate as a member of the Hartnell Rodeo Team in National Intercollegiate Rodeos.

If elected, I will attempt to help promote our campus academically and culturally, socially and athletically.

Students Have a "Choice" For '68 Meaningful Leadership

TOM ROWLAND, Freshman
Pre-law Major
ASB President

If elected I intend to provide a creative leadership, one which will deal with each problem arising in student affairs as unique and deserving of special and individual consideration. Implicit in my campaign is the concept of participation of all student groups in the development of campus life. My primary goal will be to provide the caliber of executive leadership which will give Hartnell the status it deserves — that of a progressive and vital college campus. To this end, if elected, I will initiate a series of actions which will promote a better understanding among campus groups and at the same time encourage student expression.

LORRAINE FLORES, Freshman
Political Science Major
Student Body President

I would like the opportunity to serve my fellow students by representing them in all facets of student government and student activities. If elected, I believe I can improve present conditions as pertains to better student participation in all student endeavors. Having past experience in student government and receiving academic honors, I believe I can justly fulfill this position. If elected to the responsible position of Student Body President, I will work—and work hard—for you, the Student Body.

THOM DIGGINS, Freshman
History or Journalism Major
ASB President

In my one year at Hartnell, I have been President of Hartnell Students for Liberal Politics, co-edited the "Open Mind," and authored a weekly column in the Panther Sentinel. I have always been concerned with relations between students and faculty and the administration. If elected I would attempt to give the students of Hartnell a louder voice in policy making, and try to give them more freedom of thought in action, in regard to free speech, free press, and free expression. "Student Power" will be my campaign slogan.

Commissioner of Cultural Activities

WALTER DRABIK, Freshman
Electronic Engineer Major
Commissioner of Cultural Activities

At present, there is no definitive outline or description of the actual duties concerning the Commissioner of Cultural Activities. If elected, I intend to remedy this situation through meaningful action for the student body.

During the past semester, it has been my good fortune to work in various capacities and in conjunction with the present Commissioner of Cultural Activities. I have also had extensive employment in the commercial entertainment field. This, along with the various school club elective offices I've held at Hartnell qualify me, I believe, for the office I now seek and will enable me to employ these qualifications and past experience for the benefit and the good of the Hartnell Student Body. With your help this may hopefully be so.

JOAN SIGALA, Freshman
Education Major
Commissioner of Cultural Activities

As a candidate, seeking the office of commissioner of cultural activities, I am fully aware of all duties that must be performed. I shall be responsible for all cultural affairs sponsored by the Associated Student Body and shall be chairman of the Cultural Activities Committee.

Past and present experiences as a commissioner in Hartnell's student government has given me excellent qualifications in leadership and organization.

It is my prime goal to enhance the culture on Hartnell's campus. To the best of my ability I will do this. With your support, Hartnell will have a most promising cultured school year.

JIM CRONIN, Freshman
History Major
Commissioner of Cultural Activities

As former vice president of the Young Liberals, present member of the executive council of the Hartnell Students for Liberal Politics, and as co-editor of the "Open Mind," I feel that I am qualified for the post of Commissioner of Cultural Activities. If elected there are two main things I will work for; the first is to present more speakers during the college hour. This would give more students to hear the speakers. I will also work to present a series of speakers who will present BOTH sides of the Vietnamese war to the students. I think the students should hear both sides of the war before deciding about it.

Gregory's Hunger Strike For Total Involvement

Dick Gregory, the Negro comedian who has been named the presidential candidate for the Peace and Freedom party, will speak to a Hartnell Presents audience tonight at 8 o'clock.

Because Hartnell administrators expect a large crowd wanting to see Gregory, the address will be given in the Men's Gym with an extension loudspeaker set up in the Women's Gym for a possible overflow audience.

Speaking over the telephone Tuesday to Evening Division Director Norman Berdan, Gregory expressed his desire to reach as many people as possible. "I won't cut them off, either," the

Negro spokesman said. "I'll keep going until 10:30 if they want me."

Since his beginning as a night club comedian, Gregory has become increasingly involved in the problems of race relations and the fight for better opportunities. As part of his effort he is currently enduring a fast to dramatize the plight of his people. His fast has led him to decline a pre-speech dinner tonight with college and community members.

A press conference for professional and school journalists has been tentatively scheduled for 3 o'clock this afternoon at the Hyatt House.

NEWS BRIEFS

COLLEGE HOUR DANCE

A dance sponsored by the freshman class and ICC will be held today at 11 a.m. in the Women's Gym. The dance will begin promptly and admission is 25 cents. Shoes are allowed while you move to the sounds of the Talon Wedge. Judging for the Fuzzerino contest will also be conducted at this time.

BLESSED SPRING

If you come to school next Monday, you will be alone in your misery. Spring vacation is in effect from April 8 to 12, releasing untold hundreds to a week of luxury, laziness, and term papers.

ACT APPLICATIONS

The last American College Test for this school year will be given May 11, and applications for the test must be submitted by April 10. Application materials are available in Room 3 from Dr. Sandgren.

PUPPET SHOW

Besides "Kukla, Fran and Ol-

lie," have you ever seen a puppet show? Well, whether you have or haven't you'll get the chance to observe some professional puppeteers next week. John Ralph Geddis and Francois Martin, internationally known puppeteers, will bring some of their famous "acting puppets" to the Salinas Public Library for a demonstration showing Wednesday, April 10, at 10 a.m.

The master showmen will demonstrate informally the backstage workings of the puppet theatre, revealing how puppets are operated. They will complete their show with "The Walrus and the Carpenter" from "Alice in Wonderland," and a pantomime ballet called "Spring Fever."

The Geddis-Martin troupe of puppets have traveled far and wide since their debut performance on their first stage at Boston's Beacon Hill in 1931. They are now permanently quartered in their own "Tantamount Theatre" in Carmel Valley. The public is invited.

Shakespeare's Glorious Hour In Hartnell's Little Theatre

Often, repeated raves only serves as understatement. Such is the case of Hal Ulrici's closing performance of "King Lear" last Saturday night. A packed house, and a definitely enthusiastic crowd watched Ulrici's Community Playhouse troupe present what must be one of the finest performances ever to play the college Little Theatre.

Technically, Shakespeare's tragedy was brilliant. Lighting and sound, particularly in the case of the raging thunderstorm, far surpassed anything this writer has yet seen in the Playhouse. Sandy Plumlee and Bob Garrison far outdid themselves.

The show was not without

some weaknesses but they were minor. Hurried speeches, occasional slurred diction, and a somewhat rushed ending deleted a little, but generally the Playhouse scored again.

In cast standouts:

Kingly Portrayal

Drama critic Hunter Charleston III, taking time off from writing, shook the house with his magnificent portrayal of the great king. His voice for Lear was especially good, and made his performance the uncontested best of the show. We hope to see him again soon.

Cipy Insular as the Earl of Kent was excellent in every way. He, and Mike Rega who mov-

ingly portrayed Gloucester, turned in two of the best performances in the show, playing to a completely captive house.

Lloyd Severson, perennial villain of the Playhouse, captured well the character of Edmund, wicked son of Gloucester. Severson's specialty is the villain, and he did indeed do justice to Edmund. Randy Dobbs' portrayal of Gloucester's other son, Edgar, was fine. His "mad" scene on the heath was quite moving, as he and Charleston play beautifully together.

What Kind of Fool Am I?

Susan Bennett is always superior, and as Lear's Fool she was wonderfully skillful. Always capable, Miss Bennett's Fool was a masterpiece of timing and control. Many plaudits here.

Bettina Hains, Karla Heinz, and Mary Snell as Lear's daughters turned in one and all gripping performances. All three are a joy to behold in any show, and any one of them present on stage ensures a delightful evening.

Carol-Ann Hughes as Oswald proved again as enjoyable as she has been in previous shows, always sharp and commanding of her role. And veteran stage manager Benny Domalaog made a surprisingly capable acting debut, along with managing a truly great show.

Frankly, we'd like a repeat performance. We wish we had more space — there is much more to say. Bravo. —R.F.

GIVE US WINE, WOMEN AND COUNTRY JOE'S FISH

Bring the boxes of air and sacks of clay, for Country Joe and the Fish are coming. In what promises to be a musical highlight to Spring vacation, the group will perform in a dance-concert at the Santa Cruz County Fairgrounds, beginning at 8 p.m. Also appearing will be the Boston Tea Party and Uncle Ben and the Wild Rice.

Country Joe and the Fish originated in Berkeley, and emerged last year as one of the strongest and most creative groups from the wealth of San Francisco talent. Their two albums, "Electronic Music for the Mind and Body," and "I Feel Like I'm Fixin' to Die" established them as musicians of the highest calibre, and reflects an outlook on life that is mixed with humor, sadness, love, and cynicism.

The Boston Tea Party started in Burbank, and has just released its first album on the M-G-M label. Uncle Ben and the Wild Rice was chosen to play in the show because of the Santa Cruz group's large and loyal following in this area.

Barry Lawrence, promoter of the show, encourages all college students in particular to attend. If this dance-concert is successful, he plans to bring many name groups, such as the Doors, Jimi Hendrix, Electric Flag, and the Chambers Brothers, to this area which has been sadly neglected by Pop Society.

Tickets are on sale at the Salinas Music Center, Abinante's Music Store in Monterey, Discount Records in San Jose, and the Santa Cruz Music Center. The price is \$3 in advance and \$3.50 at the door.

SPORTS ROUNDUP

Hartnell's baseball team is off and running as they have a two game winning streak (at press time) on the line. Hartnell's latest victims were West Valley and Solano.

Hartnell defeated West Valley 4-3 March 28, on the Hartnell diamond, as Bud Newman picked up his first conference victory. Newman pitched 8 1/3 innings, allowing two runs, striking out 12, and walked five before reliever Lee Boles had to bail him out. West Valley starter Bob Teasley picked up the loss.

Hartnell hit the road March 30 to Vallejo and defeated Solano 5-1 with Len Guzman pitching 5 1/3 brilliant innings, striking out six, walking two, and allowing no earned runs. Lee Boles pitched the final 3 1/3 frames allowing no runs, striking out four, walking one. Solano ace Bob Herlocker picked up the loss, as his main problem was getting the ball over the plate.

Circling Track & Field

Hartnell spikesters finished in a four-way junior college track meet last Saturday on the Hartnell track. West Valley won the meet with 77 points with Hartnell coming in second with 62. Ohlone wound up third with 14 and Menlo finished in the cellar with 10.

Standouts for the Hartnell squad were: Rich Smith, 100-yard dash, 9.9, and 220-yard run, 23.3; Don Wells, pole vault, 13-6, and Rich Beard, high jump, 6-2.

Netters Are Nippers

After two defeats in a row the Hartnell tennis team broke the jinx to pull off a close 4-3 decision against DeAnza last Saturday on Hartnell's courts.

According to Coach Tony Teresa, everyone played well and

it was a team effort that won it. This Saturday Gavilan College will play host to Hartnell at 10 a.m. Saturday's results were as follows:

Singles

Golomeich, H def. Scheiman, D, 6-2, 6-3; Mammen, H, def. Carrahan, D, 6-1, 6-3; Alamo, H, def. Flinn, D, 6-3, 8-6; Herfurth, D, def. Miller, H, 6-3, 4-6, 6-4; Franey, D, def. Ackerman, H, 6-2, 8-6.

Doubles

Golomeich and Mammen, H, def. Scheiman and Herfurth, 6-1, 6-2. Flinn and Carrahan, D, defeated Alamo and Miller, H, 6-3, 6-1.

Rallies, Assemb. Sophomore Rep.

DON HART, Freshman Music Major
Commissioner of Rallies and Assemblies

As you may or may not know, the position of Commissioner of Rallies and Assemblies is very exciting work. The person who holds this position has the opportunity to be in contact with many students. His main objective is to coordinate all the students' enjoyment. I will try my best to fulfill this position, but to do this I need the assistance of the Student Body. It is not the officers or Commissioners who make an active college, but it is you, the Student Body.

I am very disappointed in the lack of interest toward student government, an example of this being the fact I am unopposed. If elected, I will help to in-

SUSANNE NORTON, Freshman Sophomore Representative

Sophomore representative can be an effective office. Not only does this office act as a voice

for the sophomore class, but is responsible for Hartnell's student court. I will do my best to try to establish a campus police and to work with the city police in controlling our parking problems through the use of the motor vehicle department. My main objective is to establish a course which will involve campus police here at Hartnell. This will save us money in protecting our campus as well as eliminating controversial parking problems.

crease school spirit, and strive to destroy apathy on this campus. This is the reason I ask for your vote.

Country Joe McDonald, second from right, and his Fish will be appearing at the Santa Cruz County Fairgrounds outside of Watsonville, April 13 at 8 p.m. All of sound mind, body, and eardrums are urged to attend the dance-concert.

Visiting Spanish Artist To Lecture, Observe Classes

Vaquero Turcios, one of the most distinguished figures in the group of young artists, will be meeting with student groups and lecturing Tuesday, April 16, at 8 p.m. in the Student Union lounge.

Mr. Turcios has received many merits for his artistry. He was selected to decorate the famous Pavilion of Spain at the New York World's Fair with three large mural paintings which won the highest critical acclaim. In addition he was awarded the first prize for painting at the Third Biennale de Paris in 1963. Also, Mr. Turcios has received

medals for his art and is an honorary member of the Fine Arts Academy of Florence.

Vaquero Turcios is also considered one of Europe's leading muralists. Frescoes and mosaics by Turcios decorate important civic buildings, universities, hospitals, churches, factories in Spain, Switzerland, Austria, Central and South America.

Among the lecture subjects of Mr. Turcios are the lives and works of the highest figures of Spanish painting, the history of Spanish art, and the history of mural painting.

STATE YOUR CHOICE NOW VOTE FOR U.S. PRESIDENT

Hartnell College students will be among some three million persons from 1350 college campuses across the nation who will participate in one of the first big political happenings of the strife-torn 1968 presidential election year.

CHOICE '68, the first national student mock primary election ever to be held in America's colleges and universities, happens next Wednesday, April 24.

Time

Since Michigan State University graduate Robert Harris first presented CHOICE '68 to the nation through Time magazine, the election has met with unprecedented approval on all sides. Endorsed by current president Lyndon Johnson, politically favored by major and minor candidates for the presidency, CHOICE '68 has also gained a great deal of under-age voting support. Students who have heretofore been content to simply voice their opinions will now be able to have them tabulated, and perhaps see them become dark-horse undermining forces of the fateful election year.

The goal of Harris' CHOICE '68 will be to determine which of 14 listed presidential candidates will garner the support of America's legally under-aged, but vitally interested, college generation. Also included on the ballot are three questions considered to be among major

issues of political importance at this time. The course of action in Vietnam, bombing procedures in North Vietnam, and home-front urban-crisis measures will also confront CHOICE '68 voters.

Candidates

The 14 presidential candidates on the CHOICE '68 ballot include President Lyndon Johnson, who recently announced his non-candidacy, and the late Reverend Dr. Martin Luther King, fatally wounded two weeks ago in Memphis. The executive offices of CHOICE '68 have since prepared a statement to be issued with the ballots which will cover the inconsistencies. Other candidates are Republicans Mark Hatfield, John Lindsay, Richard Nixon, Charles Percy, Ronald Reagan, Nelson Rockefeller, and Harold Stassen; and Democrats Robert Kennedy, and Eugene McCarthy; and Independent George Wallace. The Socialist Worker party is represented by Fred Halstead.

Who's Eligible

Commissioner of Public Relations George Turnbull is presently spearheading publicity proceedings for the Wednesday primary. Turnbull stresses that there will be no restrictions or obligations placed upon CHOICE '68 voters, and that eligibility for voting hinges solely on enrollment in the college. He points out that the primary was developed for the persons under

Ag Instructor's Death Sparks Scholars Fund

The sudden death of agriculture instructor Roy Lanini last week has left a void in the lives of many persons associated with the school and with agriculture in the entire Salinas Valley.

"Roy knew his subject and lived his work very deeply," said East Campus director Lyman Fowler in a tribute this week.

Mr. Lanini, who was killed in a crash of his truck east of Barstow, had taught classes at Hartnell for nearly 20 years, according to Mr. Fowler. "And no man lived for his work more than Roy did."

His specialties were in cattle and sheep raising.

After Monday's funeral this week, many friends be-

gan thinking of a suitable memorial for the veteran teacher. By now tentative plans have been set up for a Roy J. Lanini Scholarship Fund for students in the general field of agriculture. Leading the organization of such a group are the 4-H Clubs of Monterey County and the Hartnell College Faculty Association.

A committee to manage the fund already includes Mr. Fowler as chairman, Mrs. Frank Logan, Mrs. Roy Miller and Richard Fleming.

More details about the fund will be announced later. Early contributions may be made to Paul W. Johnson, treasurer of the Hartnell College Faculty Association.

■ Three winners in the Spring elections are relaxing after their victory at the polls. Shown left to right are Paul Benoit, sophomore president; Sue Norton, sophomore representative, and Tom Rowland, ASB president. Joan Sigala

and Wally Drabik face a run-off for the post of commissioner of cultural activities. The special election will be held April 24, included with the "Choice of '68" elections. All ASB card holders are urged to vote.

ROWLAND HEADS LIST OF WINNERS

The winners have emerged from the stacks of ballots. A man with some productive plans for Hartnell and several other enthusiastic students were elected to 1968-69 Student Commission.

Tom Rowland took the laurels for ASB president. This active freshman has many ideas he will try to fulfill in his presidential term.

"I'd like to see the Open Forum actually used, and more speakers brought to the campus, and I'd like to work with Commissioner of Cultural Activities to bring more speakers of the caliber of Dick Gregory. I also think teacher evaluation is an excellent idea," the newly elected president said.

When asked his reaction to winning, Tom answered, "Actually there isn't too much to say. It's more of a matter of waiting until the time comes and doing something about it."

Winning along with Rowland was Sue Norton as sophomore representative and Don Hart as commissioner of rallies and assemblies. Elected as sophomore president was Paul Benoit. Kathy Barbier will be the new ASB secretary. Susie Ellenbast was narrowly elected next year's head cheerleader in a close race with Pam Peterson. The only runoff will be between Wally Drabik and Joan Sigala who are vying for the position of commissioner of cultural activities.

EXOTIC VIEW, COLOR, SOUND

A charming Polynesian atmosphere and the sound of waves crashing against the rocks will provide a romantic setting for Hartnell's Spring Prom May 11.

With an ocean front view atop Cannery Row's Outrigger, Hartnell couples will be treated royally. A picture corner will be provided where they may be photographed before an enchanting island backdrop.

Rich oranges and soft greens will enhance the ballroom. Tables, covered with orange tablecloths will be decorated with imported ti leaves and perishable polynesian fruits, provided by the Outrigger.

A limited amount of prom tickets will be available. AMS president Bernie Salgado will be in charge of sales which will start next week. Tickets, selling for \$5, will be on sale in the commission room off the Student Union.

ART BRINGS CASH

Martin Dodd, Hartnell's Spectrum editor, has announced today the winners of literary and art which were submitted to the Hartnell's literary magazine.

Awards from \$10 to \$50 were awarded to individuals entering art and literary categories.

Winners and awards to be presented for the various categories are: painting, Dick Peters, \$50; photo, Jean White and Joan Bulkley, \$15 each; drawing, Jim Rosa and Tom Johnson, \$15 each; sculpture, Eric Bosler and Jim Rosa, \$15 each; ceramics, Janice Duper, \$10; fiction, Joan Sharp, \$50; poetry, Robert Tucker, \$25, and Judith Shuemaker and an anonymous poet, \$15; essays, Wayne Burgess and Jim Gonzalez, \$10 each; play, Lloyd Severson, \$10; and music, Irene Robinson, \$15.

"The assistant editors and I appreciate all the submissions from the students and want to thank the judges who have contributed so much. I feel that

the magazine will be very fine this year," expressed editor of Spectrum, Martin Dodd.

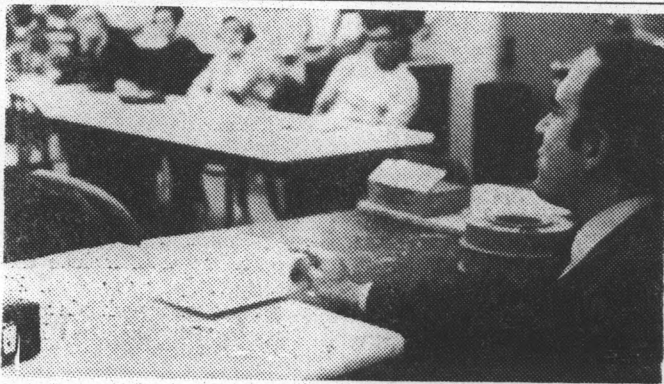

Jim Guy, assistant editor for the magazine said that he "would like to extend many thanks to Miss Burke, Mrs. Abbott, Mr. Johnson, and especially to Nancy Rossi. They have put forth a lot of time and effort in helping to put out Spectrum."

Judging the submissions were: art, Mr. Amyx, Mr. Bragdon, Mr. Butterbaugh, and Mr. Ken Cook of Cook's Photography; literature, Miss Perry, Mr. Mounkes, Mr. Seymore, Mr. Schoepf and Dr. Sandgren.

Any student wanting their submissions must pick them up April 25 and 26 in Room 22.

June 1 is the date that students with ASB cards may obtain their copy of Spectrum free. Non-ASB cardholders wishing to purchase one may do so for just \$1.00.

■ Vaquero Turcios (far right), a prominent Spanish artist spoke to numerous art classes last Tuesday. A guest on the Hartnell Presents series, Turcios spoke on many aspects of his artistic career. A personal friend of renowned artist, Pablo Picasso, Mr. Turcios also charmed an audience Tuesday night in the Student Union Lounge.

Rallies, Assemb. Sophomore Rep.

DON HART, Freshman Music Major Commissioner of Rallies and Assemblies

As you may or may not know, the position of Commissioner of Rallies and Assemblies is very exciting work. The person who holds this position has the opportunity to be in contact with many students. His main objective is to coordinate all the Rallies and Assemblies for the students' enjoyment. I will try my best to fulfill this position, but to do this I need the assistance of the Student Body. It is not the officers or Commissioners who make an active college, but it is you, the Student Body.

I am very disappointed in the lack of interest toward student government, an example of this being the fact I am unopposed. If elected, I will help to in-

SUSANNE NORTON, Freshman Sophomore Representative

Sophomore representative can be an effective office. Not only does this office act as a voice for the sophomore class, but is responsible for Hartnell's student court. I will do my best to try to establish a campus police and to work with the city police in controlling our parking problems through the use of the motor vehicle department. My main objective is to establish a course which will involve campus police here at Hartnell. This will save us money in protecting our campus as well as eliminating controversial parking problems.

crease school spirit, and strive to destroy apathy on this campus. This is the reason I ask for your vote.

Country Joe McDonald, second from right, and his Fish will be appearing at the Santa Cruz County Fairgrounds outside of Watsonville, April 13 at 8 p.m. All of sound mind, body, and eardrums are urged to attend the dance-concert.

Visiting Spanish Artist To Lecture, Observe Classes

Vaquero Turcios, one of the most distinguished figures in the group of young artists, will be meeting with student groups and lecturing Tuesday, April 16, at 8 p.m. in the Student Union lounge.

Mr. Turcios has received many merits for his artistry. He was selected to decorate the famous Pavilion of Spain at the New York World's Fair with three large mural paintings which won the highest critical acclaim. In addition he was awarded the first prize for painting at the Third Biennale de Paris in 1963. Also, Mr. Turcios has received

medals for his art and is an honorary member of the Fine Arts Academy of Florence.

Vauro Turcios is also considered one of Europe's leading muralists. Frescoes and mosaics by Turcios decorate important civic buildings, universities, hospitals, churches, factories in Spain, Switzerland, Austria, Central and South America.

Among the lecture subjects of Mr. Turcios are the lives and works of the highest figures of Spanish painting, the history of Spanish art, and the history of mural painting.
